

TROWEL KIT

TRSETDD

- Trowel kit of six (6) trowel blades, one inter-changeable handle and plastic box to hold everything.
- Box holds six trowels blades at once.
- Square, U and Tiger notch trowels come with the kit.
- Handle slides onto rail located on back of each blade.
- The handle is locked into place by securing the tab on the front on the handle.
- Replacement blades, handle and box available to be purchased individually.
- Check out accessory pages below.
